

**Screening for Asbestos Exposure**

September 30th – October 25th, 2013

**It is very important to find out whether you were exposed to asbestos in your workplace. Exposure to asbestos can lead to lung cancer and mesothelioma. If you were exposed, and you file for compensation, and your claim is accepted, you and your family could get financial benefits from the Workers' Compensation Board. Please will you fill in this survey?**
