## Screening for Asbestos Exposure

**It is very important to find out whether you were exposed to asbestos in your workplace. Exposure to asbestos can cause lung cancer and mesothelioma. If you were exposed, and you file for compensation, and your claim is accepted, you and your family could get financial benefits from the Workers' Compensation Board. Please will you fill in this survey?**

Gender:     Male         Female                      Age: \_\_\_\_\_

1. Check all industry sectors you have worked in:

- |  |  |
|--|--|
| <input type="checkbox"/> manufacturing | <input type="checkbox"/> retail, vehicle sales & leasing,            |
| <input type="checkbox"/> construction  | <input type="checkbox"/> food & beverage                             |
| <input type="checkbox"/> automotive    | <input type="checkbox"/> healthcare                                  |
| <input type="checkbox"/> mining        | <input type="checkbox"/> government (municipal, provincial, federal) |
| <input type="checkbox"/> agriculture   | <input type="checkbox"/> pulp and paper                              |
| <input type="checkbox"/> chemical      | <input type="checkbox"/> forestry                                    |
| <input type="checkbox"/> education     | <input type="checkbox"/> Transportation                              |
| <input type="checkbox"/> electrical    | <input type="checkbox"/> services (e.g. restaurants, hotel)          |

2. Are you aware of being exposed to asbestos in any jobs you have had (circle)?    Yes    No

3. Is it your opinion that your asbestos exposure could have contributed to your disease (circle)?    Yes    No

4. Would you like a more in-depth work and health history interview done of your asbestos exposure by an Occupational Health Nurse (circle)? Yes    No

**If you circled YES, we will give your information to the occupational health nurse at the Occupational Health Clinics for Ontario Workers. She will contact you.**
