

## Occupational and Environmental Health Seminar Series

The Occupational and Environmental Health Seminar Series is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. The series is also approved by the Council of Professional Experience for professional development hours (PDHs) for members of the Canadian Institute of Public Health Inspectors (CIPHI), and by the Canadian Registration Board of Occupational Hygienists (CRBOH) for Registration Maintenance (RM) points.

Where requested, records of attendance will be provided for participants at the end of the seminar series (April 2018). For more information, please contact Elaina MacIntyre ([elaina.macintyre@oahpp.ca](mailto:elaina.macintyre@oahpp.ca)).
